Hello Guys, Here we come to an end of our Spring Fest Web Summer Training 2021. I hope you must have gained a lot from this training and will be working on some awesome projects in future. We are glad to say that all of you had put great effort in doing the assignment. And thanks for all the constructive feedback you had provided us after the assignment.

So In case you are interested in working with us and joining the Spring Fest Tech Team but due to certain circumstance you could not complete the assignment so you must contact any of Web team Heads.

Thanking everyone for being the part of this training for the whole summer. We wish you best wishes for your future.

Regards,

Heads,
Tech Team
Spring Fest 2021
